Key Features

Vinyl-Coated S-Hooks

Black PVC coating helps protect vehicle paint and finished anchor points from scratches during loading.

Deeper Grooves on Handle

The ratchet handle features deeper, more aggressive grooves for a noticeably firmer grip - even with gloves, wet hands, or oily conditions.

Oversized Comfort Grip

Wide molded handle with deep finger grooves improves leverage and control during repeated tensioning.

12-ft Working Reach

All-purpose strap length suits motorcycles, ATVs, lawn equipment and everyday light cargo restraint.

High-Visibility Orange

Pantone Orange 021 C webbing stands out in storage areas, trailers and roadside inspections.

2-Pack Value

Two complete tiedowns per retail pack provide a ready pair for motorcycles, ATVs and everyday cargo restraint.
