Key Features

Heavy-Duty Flat-Hook Anchorage
Zinc-plated steel flat hooks provide secure engagement with compatible flatbed rails and cargo-control anchor points.

30-ft Extended Reach
Full 30-ft length supports broad cargo coverage across compatible trailer and transport applications.

High-Visibility Tracer Webbing
Pantone 1235 C yellow with red tracer lines supports fast visual identification and inspection.

Wide 3-in Heavy-Duty Webbing
Broad high-tenacity polyester webbing supports stable tension distribution across demanding cargo applications.

5,500-lb Working Load
Packaging identifies a 5,500-lb safe working load and 16,500-lb break strength for clear pre-use verification.

Single-Pack Convenience
One complete tiedown per retail unit supports simple shelf stocking and single-strap replacement needs.
