Key Features

Reinforced Loop Ends

Soft loop eyes with black protective sleeves provide flexible attachment to compatible recovery anchor points without metal hooks.

High-Visibility Webbing

Pantone 1235 C yellow and a contrasting white tracer support quick identification and efficient visual inspection.

5,667-lb Working Load

Packaging identifies a 5,667-lb safe working load and 17,000-lb break strength for clear pre-use verification.

20-ft Recovery Reach

Extended 20-ft length provides practical separation between compatible vehicles and recovery anchor points.

Wide 2-in Recovery Webbing

Full-width high-tenacity polyester distributes pulling force across a broad, flexible recovery strap.

Single-Pack Convenience

One complete tow strap per retail unit supports simple shelf stocking and individual recovery-kit replacement.
