Key Features

Reinforced Loop Ends

Black protective sleeves cover the soft loop eyes to help reduce abrasion at compatible recovery anchor points.

High-Visibility Webbing

Pantone 1235 C yellow and a contrasting white tracer support quick identification and efficient visual inspection.

5,000-lb Working Load

Packaging identifies a 5,000-lb safe working load and 15,000-lb break strength for clear pre-use verification.

30-ft Recovery Reach

Extended 30-ft length provides broad reach between compatible vehicles and recovery anchor points.

Wide 2-in Recovery Webbing

Full-width high-tenacity polyester distributes pulling force across a broad, flexible recovery strap.

Single-Pack Convenience

One complete recovery strap per retail unit supports simple shelf stocking and individual recovery-kit replacement.
