Key Features

Heavy-Duty Triangle Hook

Zinc-plated steel triangle hook provides a robust connection point for compatible winch and cargo-control hardware.

High-Visibility Webbing

Pantone 1235 C yellow, a red tracer and bold VINLOC identification support quick inspection and brand recognition.

5,400-lb Working Load

Packaging identifies a 5,400-lb safe working load and 16,200-lb break strength for clear pre-use verification.

30-ft Winch Reach

Full 30-ft length supports broad cargo coverage across compatible flatbed, trailer and transport applications.

Wide 4-in Winch Webbing

Broad high-tenacity polyester webbing supports stable tension distribution with reinforced black edge protection.

Single-Pack Convenience

One complete winch strap per retail unit supports straightforward shelf stocking and individual fleet replacement.
